

Business Ownership Made Easy! Invest in a More Solid Future.

Concrete is no fleeting fad. It's a solid and lasting business that we're here to help you break into with solid margins, in-demand services, and multiple revenue streams.

At Tow N Go Concrete, we're revolutionizing the concrete industry by providing top-quality small batch ready-mix concrete that's just a tow away. Since opening in 2019, dynamic duo founders Rob and Brad have been driven by efficiency and innovation to fill a gap in the market. Our fine-tuned franchise concept is a rarity across Canada, making us a true industry trailblazer!

Our labour requirements can be easily scaled as your business grows so you can expand your empire without breaking a sweat.

Enjoy a better work-life balance during seasonal downtime and operate from a plot of land or an add-on to existing home services businesses.

Take the first step toward a profitable and fulfilling franchise opportunity and let's turn your dreams into a concrete reality!

Building a Better Future For You and Your Community

With the high demand to thrive nationwide, a proven formula for profitability, and a completely unique service with little competition, we've mixed up the recipe for an irresistible investment!

-  Our established locations are shining examples of steady growth and impressive results with a proven formula for success!
-  Enjoy a fast track to financial freedom with rapid ROI, reasonable overhead costs, and applicability in most markets.
-  With a scalable team size and seasonal workload, Tow N Go Concrete ensures a better work-life balance for franchisees.
-  Our 100% satisfaction guarantee creates rave client reviews, testimonials, and referral business for marketing made easy.
-  The Tow N Go Concrete model is in demand across Canada, creating a multitude of opportunities for growth.
-  Tow N Go Concrete is a one-of-a-kind service with little competition in a strong and reliable industry.

Finding Our Concrete Dream Team

At Tow N Go Concrete we want to partner with people who care about providing the best service possible experience to our customer base and building connections in the community! Potential candidates should possess:

- Strong sales and customer service abilities
- Professional and technically savvy
- A business mind and industry experience
